

SWISS DEVELOPMENT GROUP IS ANNOUNCED AS THE WINNER OF FIVE CATEGORIES AT THE PRESTIGIOUS EUROPEAN PROPERTY AWARDS IN LONDON'S MAYFAIR – SEPTEMBER 2011

27.09.11 – Europe's finest developers, architects, interior designers and real estate agents gathered at The Park Lane Hotel in Mayfair, London on Friday 23rd September for the announcement of the winners of the hotly contested European Property Awards 2011.

[Swiss Development Group](#), investors and developers of high-luxury, landmark real estate was named the winner of five awards categories. The company, that has developed projects including five star hotels and luxury private hotel residences in both Switzerland and abroad, was awarded accolades for The Best Development Multiple Units (Switzerland), The Best Architecture Multiple Residences (Switzerland), The Best Apartment (Europe), The Best Apartment (Switzerland) and The Best Residential Property Interior (Switzerland).

Earlier this year, the results of the Asia Pacific Property Awards were revealed in Shanghai. This gave leading property professionals from across China,

Japan, Thailand, Malaysia, Australia, New Zealand and many other countries in the region cause for major celebration.

Both of these individual programs form important elements of the International Property Awards in association with Bloomberg Television and Google. Established 17 years ago, they are the world's most prestigious property competition and cover residential as well as commercial categories. Judging is carried out through a meticulous process involving a panel of over 80 experts and covering every aspect of the property business. The judges are not only looking for the most impressive and innovative projects, they are also examining the sustainability and eco-friendliness of every property and development that comes under their scrutiny.

It will be interesting to see how well Europe competes internationally as the next stage is for the top-scoring winners from each category of the European Property Awards to literally take on the world by competing against other high scoring companies from Asia Pacific, Africa, the Americas and Arabia. The ultimate World's Best in each category will be unveiled when the final results are revealed at London's Savoy Hotel on December 12th.

Nicolas Garnier, Chief Executive Officer of Swiss Development Group spoke on behalf of the company explaining "The team and I at Swiss Development Group are delighted to have received 5 awards at the European Property Awards for best apartment, development, architecture and interior design. These awards represent the incredible support and response to the launch of 51° Spa Residences in Leukerbad."

Swiss Development Group is currently developing the following projects [Du Parc](#), [51° Spa Residences](#) and [Pinnacle](#). For further information please visit their website www.sdg.ch
